

SAP Next Gen

## Student Training and Rotation - Romania

### Launch your SAP career before you graduate!

Build your technical, business, and leadership skills while gaining real-world experience through dynamic rotations across SAP's diverse functions.

#### **Earn while you learn**

in a paid role alongside your university studies.

#### **Turn theory into impact**

by solving real business challenges for SAP and our customers.

#### **Boost your professional edge**

with stronger communication, presentation, and networking skills.

#### **Learn from the best**

through mentorship and shadowing with industry leaders.

#### **Build lasting connections**

that power your career success.

#### **Get full support**

from STAR program managers, rotation leads, and your dedicated buddy.

#### **Unlock your future**

with opportunities for full-time roles after graduation.
